

EQUINE ANATOMY & FIRST AID SEMINAR FREE! OPEN TO THE PUBLIC!

**Presented by
Equine Veterinary Services
& Carousel Acres Equestrian Center**

Interactive presentation to discuss equine anatomy and physical exam basics that every horse owner should know. Discussions will enable horse owners to communicate effectively with their veterinarian, colleagues and farriers in regards to equine anatomy as related to issues regarding normal health versus emergency situations.

Come have fun and learn more about your horse! Learn how to communicate a problem or emergency effectively to maximize the help you can provide in an emergency!

Where:

Carousel Acres Equestrian Center
5200 Koppe Bridge Rd
College Station, TX 77845

*Seminar limited to first
75 respondents*

When:

February 6, 2010, 10am-Noon
